HOW DOES IT WORK?

We'll come to your kitchen, meet you at a CuisineStyle partner kitchen facility near you, or welcome you to our own professionally equipped CuisineStyle Cooking Studio

WHAT MAKES IT SPECIAL?

CuisineStyle cooking parties are fun for everyone, from culinary neophytes to master chefs. Hosting your guests at a restaurant can't compare to a cooking party. With CuisineStyle, you set the agenda and the menu. You can whip up a five-course meal to enjoy, host a Top Chef competition among fellow foodies, or finally learn how to make the perfect soufflé, pizza, or weekday dinner. You can get loud, mix it up with more friends, give speeches, make a mess, and then sit down to the fantastic food prepared by you and your guests!

WHAT CAN I EXPECT?

We begin with a welcome reception of hors d'oeuvres. Your group is then divided into recipe "teams." Each team is coached by their own CuisineStyle-trained chef. After about one hour of hands-on cooking, you and your guests enjoy a delicious meal. Service and clean up are both provided by our CuisineStyle staff. Cooking events last approximately 3 hours.

All the ingredients and tools are provided and each participant receives a souvenir set of recipes, a CuisineStyle Signature Apron, and lots of great memories. We also offer premium wine and beer selection, video DVD

of your team cooking experience, floral arrangements, custom party favors, valet parking, live music, and specialty rentals.
